

SURAJ APAR

Cybersecurity | Penetration Testing | Threat Analysis

aparsuraj@gmail.com [+91 93222 28397](tel:+919322228397) Pune, Maharashtra, India [linkedin.com/in/surajapar](https://www.linkedin.com/in/surajapar)
surajapar.github.io/Personal-Portfolio <https://tryhackme.com/p/surajapar> - Level 10 0xB [Master]

PROFESSIONAL SUMMARY

Enthusiastic Cybersecurity student with hands-on experience in penetration testing, network analysis, and web application testing. Skilled in Burp Suite, Nmap, Wireshark, SQLMap, and Metasploit. Eager to apply academic knowledge and practical skills to a challenging cybersecurity role.

TECHNICAL SKILLS

- Cybersecurity:** Pen Testing, Vulnerability Assessment, Web Security, Threat Analysis, Network Defence
- Tools:** Burp Suite, Nmap, Wireshark, Metasploit, SQLMap, Git
- Programming:** Python (Fluent), Bash (Fluent)
- Operating Systems:** Linux (Intermediate)

EXPERIENCE

Cybersecurity Intern (Job Simulation) December 2024
Mastercard | Remote

- Analysed potential threat scenarios and contributed to detailed risk analysis reports.
- Assisted in evaluating the organizational security posture against industry best practices.
- Developed materials and presentations to improve enterprise-wide security awareness.

PROJECTS

Unified File & Directory Integrity Checker
Personal Project (Bash)

- Developed a Bash-based tool to verify the cryptographic integrity (hash) of files and directories.
- Designed to support incident response functions by quickly identifying and flagging unauthorized file modifications.

EDUCATION

B.Sc. Cyber and Digital Science Expected Graduation: May 2028
Dr. D. Y. Patil Arts, Commerce & Science College , Pimpri, Pune, India 411018

- First Year SGPA: 8.18

CERTIFICATIONS

- Junior Penetration Tester | TryHackMe (2025)
- Web Fundamentals | TryHackMe (2025)
- Cyber Security 101 | TryHackMe (2025)
- Pre-Security | TryHackMe (2025)
- Cybersecurity Terminology | LinkedIn Learning (2024)
- Introduction to Cybersecurity | Cisco Networking Academy (2024)
